## Duties of the Field Line Painter

- Works closely with the Fort Saskatchewan Soccer Field & Facilities Director.
- Reports to the Fort Saskatchewan Soccer Executive Committee through the Field and Facilities Director.
- Provides own vehicle to transport machine, paint and accessories. Provides covered storage for all equipment and paint.
- Uses Fort Saskatchewan Soccer equipment (machine, operators manual, lines, tape measures, etc) to paint lines on soccer fields.
- Measures all fields for initial mark out prior to start of the season and paints all fields per schedule provided by Fort Saskatchewan Soccer.
- Maintains visible lines throughout the youth season (end of April to end of June) and adult season (per Fort Saskatchewan Soccer dates).
- Marks full fields with white paint and yellow for smaller fields overlap larger fields (ie Mowat U12 fields).
- Orders and picks up latex paint from Fort Saskatchewan approved supplier.
- Maintains a small inventory during the season.
- Ensures line marking machine is properly maintained at all times including:
  - Cleaning machine after every use (wash exterior and flush water through all hoses and filters).
  - Making minor repairs as required.
  - Arranging for and transporting the machine to Days Painting in Edmonton for winterizing.
  - Returns machine and accessories at season's end for winter storage in the soccer storage shed.
- Notifies Fort Saskatchewan Soccer immediate of any repair concerns regarding the machine.
- Communicates with Fort Saskatchewan Field & Facilities Director any problems with City of Fort Saskatchewan fields.
- Paid an honorarium per field. Detailed invoices which include dates fields were marked are to be submitted to Fort Saskatchewan Soccer via the Fort Saskatchewan Minor Sports office.
- Has no voting privilege on the Executive Committee.
